CORAM :DR.D.Y.CHANDRACHUD, J.
November 30, 2007.

P.C.:

Heard the application for condonation of delay and the Review Petition. No ground for review has been made out. The only point which has been pressed is that the property described in the plaint does not match to the factual position of the property at site.

This is a question of fact which cannot be gone into in a Review Petition. No ground for review has been made out within the purview of Order 47 of the Code of Civil Procedure, 1908. The Civil Applications and the Review Petition are accordingly dismissed.
